

Pharmacy Assistant

What do I do?

- I help the Pharmacist order, prepare and give out medicines.
- I check and order more medicines.
- I help patients with their prescriptions.

What am I like?

- I am responsible.
- I can pay attention to details such as patients names.
- I like to be helpful.
- I am good at listening to people.

What next?

- You may need work experience or volunteer experience in the NHS.
- Level 1 qualification (Functional Skills L1 or GCSE G-D / 1-3 grade).
- There are often apprenticeships available.
