

## Dayne Williams

### *Volunteer*

Dayne volunteers as a hospital guide at Queen Alexandra Hospital, Portsmouth.

He welcomes patients and visitors with a warm smile and is always ready to help. He helps people to find where they need to go and is always up for a chat!

Dayne hopes to gain employment with the NHS one day as he wants to 'give something back' to others. He is motivated to work hard and achieve his goal.

He goes above and beyond to help others and is very friendly and approachable.
