

Caitlin Beckles

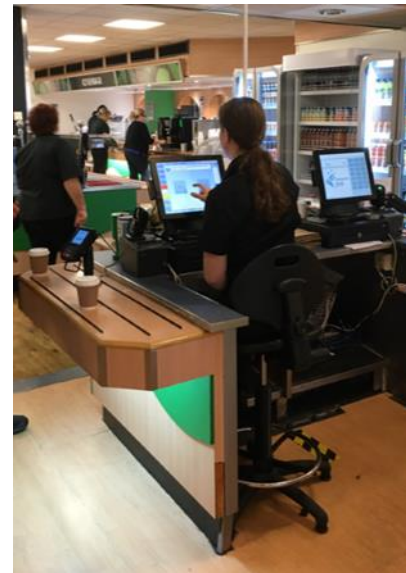

Catering Assistant

Initially, Caitlin went to South Downs College where she was studying Level 1 Catering. Caitlin didn't enjoy college and wanted to start working within hospitality. She joined Choices College to begin a supported internship.

Caitlin's first placement with Choice College was in the restaurant at Queen Alexandra Hospital in Portsmouth.

She did so well and made such a good impression that when a position became available in March 2023, Caitlin was encouraged by the staff to apply for it.

Caitlin was successful and secured a full-time retail assistant position. Caitlin loves working and being employed!
